## (Students against Destructive Decisions)

**Mission Statement-**Our goal as a SADD chapter is to eliminate people in the Elk Rapids Community from making destructive decisions, including but not limited to driving under the influence of alcohol or other illegal substances.

-We discourage the use of alcohol by minors

-We discourage the use of illegal substances

*\*We seek to achieve this goal by becoming advocates for a healthy way of life*

### Expectations of our Members:

*-We expect our members to represent our organization in a positive way*

1.) To refrain from driving under the influence of alcohol or other illegal substances

2.) To refrain from using alcohol or other illegal substances

*-We expect our members to be punctual and responsible*

1.) Members will be expected to attend meetings and participate in various fundraisers throughout the year.

2.) Members will be expected to be self advocating and contact the president/supervisor/other members for information about a meeting they have missed.

**Punishments** *-If it is suspected that a member has been drinking or using other illegal substances:*

**-First offense:** Officers will call a meeting to be held amongst themselves and the individual involved. The individual involved will report on why he/she was involved in this activity and what they will do to prevent it from happening again. This may be presented in a verbal or written form. This explanation will be presented in front of other members.

**-Second offense:** The individual will be removed from our organization unless voted otherwise by officers. This would take place only if you could prove you were not involved.

**Driving under the influence of illegal substances:** The individual will be removed from our organization no matter what the circumstances because they will have broken the main goal of our organization. This will be done by holding a meeting which will include the officers and the individual involved and at that time the individual will be notified of their actions and will be asked to leave. The other members will then be notified.

**I have read the above document and still wish to be part of the organization**
